Music Extravaganza

College Road's music festival was an overwhelming success. During the morning professionals came into the classroom to run workshops for the children which included street dancing, Gamelan and Taiko drumming and we also had a performance by Queens Dock Ukulele players.

In the afternoon, we opened our doors to parents and the local community, and a big thank you to all of you who came along to support us.

One of the highlights of the afternoon was the children singing 'Sing' with the Military Wives Choir. Stoke Library also came along for some 'Rhyme time sessions' and some of the pupils from Stoke Damerel Community College provided us with some fantastic live music.

The staff provided some musical entertainment with Miss Curtis and Mrs Francis playing the flute and Devonport High School for Boys also showed off their musical talents.

The children made some healthy snacks to sell such as fruit kebabs, cheese straws, French bread pizza and CaterEd also kindly provided some keyboard biscuits to sell. These helped fund the whole day.

A big thank you Mrs Cox and Mrs Dinham for organising the event and for all the teachers, staff and performers who helped made the day such a success.

Children's Learning

Finley in Year 3 used his 'Imagining' learning muscle to write a poem about Dream Catchers.

Well done Finley!

LA: I can innovate a familiar poem

Tuesday 18th July 2017

Dream catcher

I am a dream catcher to help
you sleep, so the bad dreams
won't make you weep.

I wake my net to protect you from
the nightmare troll, so the next
day it won't rain.

Place me over your bed so you
sleep tight, and the next day will
be lovely and bright.

So sleep my friend and have no
fear, the dream catcher will make
the bad dreams not come near.
Sleep tight!
