VbE News Update

Our Values...

The results are in!

Here are the Values that everyone in the school community has helped choose.

Thank you for all your support.

honesty courtesy courage

We will be starting officially in September but we will be doing some trial lessons and assemblies during June and July.

responsibility

unity

determination

appreciation

In order to get everyone involved straight away, we will be sending home a Values-based homework project, in which children and families can design logos for each Value.

acceptance

consideration
humour

hope

friendship

kindness

freedom

happiness

Self-respect
humility

trust

Curiosity

patience

respect

equality

Royal Wedding Lunch

To celebrate the upcoming Royal Wedding, CaterEd are having a Royal Buffet on Friday 18th May.

The menu includes: chicken, tuna or cheese wrap, carrot & cucumber sticks, lentil crisps, cheese dinosaurs, mini muffins and a drink.

Please be aware we will not be serving hot food on this date.

Family Support Worker

Marine Academy football club have asked us to let you know about their 'Summer Soccer School' which they're running from May to September. It's on a Thursday evening from 5:30 to 6:30pm for children aged between 7 and 11. It's only £2 per session. Call Darren Stewart on 213951 for more information. Year 5 parents, don't forget 11+ registration is now open. For girls you can register at www.plymouth.gov.uk and for boys, register at www.dhsb.org. Please let me know if you need any help or more information.

Mental Health Difficulties

Mental health difficulties seems to be the epidemic of the 21st century. It is believed that as many as one in four of us suffer from poor mental health each year in the UK and there is little support available. Poor adult mental health impacts on our children and with this in mind Plymouth Excellence Cluster has set up a group called Kidstime. Kidstime workshops are for children, young people and their parents who are affected by mental health issues in their family. It's a safe place where children can have fun, learn and get help and support from people who understand what's going on in their lives. The group is very popular and all participants to date have said it has had a big positive impact on their family's lives. To read testimonials from people who have accessed the group please go to:

<http://kidstimefoundation.org/projects/kidstime-workshops/kidstime-workshops-testimonilas/>

If you think that Kidstime may be suitable for your family you can refer yourself by telephoning 01752 304061. Alternatively you can speak with Mrs Harvey or Mrs Blom who will help to refer you.

Staffing News

As you are no doubt aware, two of our staff members should be congratulated on the forthcoming birth of their first children! Mrs Brown is due to start her maternity leave in early June, and Miss Corbett's leave should start in July. Many congratulations to you both!!

We interviewed for a teacher last week, to cover leave from the beginning of September 2018, and we have appointed Mr James Mann who will be starting with us in the new school year. Mr Mann will be a big asset to the school, and we'll welcome him properly in September.

Due to redundancies at Plymouth Excellence Cluster, we will no longer be benefitting from the excellent support Vanessa Tozer has provided us with over the past 3 years as a Learning Mentor. She has not only supported many children, but also parents and staff to ensure the best outcome for her mentees. We very much value the amazing contribution Vanessa has made to many of the children at College Road Primary School and wish her well. Mrs Blount continues as a Mentor here at school.

Dandelion Pop have organised another community event at College Road, on Saturday 19th May. Together we make - Samosas and Smoothies. 40 places available at £1.50 a ticket. Contact the school office to reserve your place.

Toddler Group

Just a reminder that our toddler club is still running on a Monday afternoon from 1.30pm until 3.00pm.

All dates are available on our website
Everyone is welcome

Children's Learning

Lily T in Year 2 used her 'distilling' and 'imagining' learning muscles to write an advert for our Dandelion Pop event on Saturday 19th May.

Well done Lily T!!
