Data Collection Sheets

We have updated the wording on our data collection sheets to comply with GDPR. If you would like to re-sign the new version, please contact the school office. If we do not hear from you, we will assume that you are happy with the version of the data collection sheet that you have already signed.

New data collection sheets will be sent out next September.

Poetry Day

We celebrated National Poetry Day in style again this year, with all the children reading, writing and performing poems. This year's theme was 'Change', and the school assembly at the beginning of the day certainly gave the world the message that poetry matters here at College Road! So too did the 'poetry boards' worn by children before school and playground readings!

Many thanks also to our chair of Governors, Mr Warwick, a poet himself, who spent all morning in the school, having penned a special poem for the school and shared some of his favourite poems with every class.

Harvest Assembly

We will be celebrating Harvest Festival on Thursday 18th October. KS2's assembly will take place at 9.15am until 9.45am and KS1's assembly will take place between 10am until 10.30am. Everyone is welcome to help celebrate with us.

Headlice

Unfortunately it's headlice season again and we have had a number of cases reported to us recently. We would like to remind you how important it is to check your child's hair on a regular basis and treat any headlice as soon as possible. The school purchased a number of nit combs, which we sent out last year, but if you would like a free nit comb, please contact the school office or Alex Blom.

We have put some information and advice on our website but if you would like any further information please contact Alex Blom.

On Wednesday 10th October, we have organised for Jelly Images, our school photographers, to come into school to take individual photos.

Please make sure your child is in full school uniform!

Jelly Images will once again be taking sibling photographs before school between 8.15am - 8.45am from The KEEP, for those children who do not attend this school. Other sibling photographs will take place during the school day.

Thank you

Family Support Worker

Marine Academy are looking for children aged 4-6 to join their community football programme. The sessions are run on Friday evenings and cost £2. If you are interested, there is a poster on the notice board with more information.

Year 6 parents, if you haven't already applied for your child's secondary school, don't forget you only have a few weeks left to do it. I'm more than happy to help if you're not sure what to do. If you have a little one due to start school next September, the closing date for school applications is January 15th.

A quick note about the Christmas fair (19th December) - if you would like a stall please let us know via the school office or myself asap.

Have a great weekend.

Alex

Important reminders...

Medical Appointments - where possible, appointments are to be arranged out of school, or if necessary as close to the end of the school day as possible. Please provide a copy of your appointment to the school office. Thank you.

Coats - Now that winter seems to have arrived, please send your child to school with a named coat. Could you also ensure your child's name is in their school jumper or cardigan.

Thank you.

Comments from our visitor's book

Here are some of the latest comments from our visitor's book:

'What a fantastic school, children very clearly happy and enjoying time at the school. Great feeling walking around the school and so lovely to see so many smiling faces'.

Timothy Scott-Lloyd

Effect of her reign on Britain

Lots of changes happened in Britain during her reign. Britain was the most powerful country in the world, trans and railways spread across the country, factories were part of the Industrial Revolution we had better wages. We have Christmas trees. It's due to Prince Albert that we have supported work
