

The children have all settled into their rooms and have met all the instructors who will be with them for the whole week.

They were all very excited for the first activity which was Tamakale Island. They took on the roles of trainee pirates and were tested on their communication, collaboration, reasoning and planning muscle in a range of challenges to win valuable eggs.

Miss Corbett said, that they all did brilliantly, one team managing to complete a plank task that we were told had never been done in the allocated time.
