Dear Parent/Carer

Due to the success and popularity of the last adult learning course, I have arranged another course for parents/carers - Family Maths. This is designed to help you get to grips with the methods your child is being taught, (which are probably different to the way you were taught at school!)

So, if you came along to the short Maths lesson after your child's assembly and felt that you'd like to learn a bit more, now's your chance!

The course will start on Friday 27<sup>th</sup> April from 9:30-11:30am in The Keep, and will run for 5 weeks.

If you would like to reserve a place on the course please fill out the slip below and return it to school as soon as possible as places are limited. We can provide a crèche if required.

Many thanks,

Alex Blom
