

PREVENT statement for school website

College Road Primary School is fully committed to safeguarding and promoting the welfare of all its pupils. We recognise that safeguarding against radicalisation is no different from safeguarding against any other vulnerability. All staff are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs.

In formulating this statement, the school and the Governing Board have taken account of the guidance from the Department for Education (DfE) who have called for all public bodies to make explicit their preventative measures to minimise the threat of extremism in their setting.
