

THIS MONTH'S VALUE IS...

Responsibility

- Doing your share – carrying out duties with integrity.
- Accepting what is required and carrying out the task to the best of your ability.
- Responsibility lies at home, school, in our world.

Things the family can try at home...

- Keep your room tidy or tidy it every week (you could agree a time)
- Thinking about doing your own jobs and not having to be asked, e.g. take your dirty dish to the kitchen, remember to look in your book bag and hand your adults letters, rather than them having to look for them.
- Remember your reading book every day for a week!
- Make a list of all the responsibilities your family members have and think about who does the most; is there anything people could do to help?
- Think about your responsibility to the planet. Perhaps you could be in charge of recycling for a week? Maybe you want to go with your family to help with a beach clean?
- Can you be responsible enough to do something you haven't been allowed to do before? How could you show you're responsible enough?

We would love to hear about how your family has been showing the value of responsibility! Make sure you let your teacher know by the end of June, so we can all be proud of you. You can ask a grown up to fill in the 'Wow Value' slip below and hand it in!
