

THIS MONTH'S VALUE IS...

Unity

- Harmony and peace between individuals and groups
- Accepting and appreciating each other
- Working as a team for a common goal
- Helping and encouraging each other to stick at a task

Things the family can try at home...

- Put your family first – You could put down something you like doing alone to do something nice with your family.
- Look for ways to work together to get things done e.g. If you all work together, you can get the dishes and tidying done so you can all do something fun together afterwards.
- Share things with your family, perhaps about your day or how you're feeling and ask people questions to encourage them to share things with you.
- Think about what family traditions you have and what makes them special. If you don't think you have any, could you make some?
 - Share family stories about people you love and the things they have done in their lives.
 - Try a new experience together.
 - Think about what you are really good at as a family.

We would love to hear about how your family has been showing the value of Unity! Make sure you let your teacher know by the end of July, so we can all be proud of you. You can ask a grown up to fill in the 'Wow Value' slip below and hand it in!
