

<p>Reading</p>	<p>LA I can talk about what a book might be about by looking at the cover, title and blurb. MA I can use my understanding of characters, settings and events in stories to compare two or more books. HA I can understand the differences between the structures of different text types, e.g. stories and playscripts.</p>
<p>Writing</p>	<p>LA Form capital letters. Understand which letter belong to which handwriting 'families' (i.e. letter that are formed in similar ways) and to practise these. MA Form lower-case letters of the correct size relative to on another. Start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left un-joined. HA Use the diagonal and horizontal strokes that are needed to join letters and understand which letter, when adjacent to one another, are best left un-joined.</p>
<p>Maths</p>	<p>LA With support, begin to (Know that division Is the inverse to multiplication). Solve problems involving division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in contexts. MA (Know that division Is the inverse to multiplication). Solve problems involving division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in contexts. HA Use and apply their knowledge of division in a range of contexts to independently solve problems involving division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts.</p>
