College Road Easter Bonnet Parade and Competition

Write adverts to tell all the other children about it!

Write to local nurseries and see if they want to come too!

Write to people to see if they will come and judge the competition.

Write to people to see if they will donate some prizes.

Write to Deacon Linda Brown to come and lead the parade and tell us about why Christians think Easter is very important.

Design the type of hat we want to see. Think about how big it needs to be.

Plan how much money it will cost us to make the hats and pay for the card. Then we will know how much to charge for the templates.
