Dear Parents and Carers,

We really need your help!

Over the past few weeks, parking at the start and end of the school day has become quite an issue. In addition to complaints from local residents, there have been three close calls in which children and adults have nearly been hit by cars which were parking and driving dangerously. If people continue to park irresponsibly, it is only a matter of time before there is a serious accident. We all need to work together to keep everyone safe.

We kindly ask that you please show consideration by:

- Parking away from the yellow zig-zags or double yellow lines
- Parking away from junctions so that children can cross the road safely and see whether cars are coming
- Leaving home 5 minutes early so that you can park further away from school and take the opportunity to get in some healthy walking to the school gates

Many thanks for your understanding and cooperation.

Best wishes,

Mrs Francis
