Dear Parents and Carers,

On Wednesday 7th October, we will be holding our **Curriculum Information Evening** for every year group from 3:30-4:45pm. This will replace our 'meet the teacher' evenings that we have previously done.

Each teacher will give a short presentation about the curriculum and what to expect for your child over this academic year. It would really benefit your child for you to know what they will be learning and how you might be able to support them at home, including homework expectations.

We really encourage you to attend, even if you have had an older sibling go through the same year group before, as the curriculum is evolving and improving all the time. We know that children make most progress when they are helped at home to practise what they have learnt in school. **Home-school partnership is absolutely key in all aspects of a child's education.**

Every year group is super-important and the reasons why will be highlighted by your child's teacher and may be the focus of their presentation, e.g. phonics in Puffins and Year 1, or times tables in Years 3 and 4.

In order to ensure there is enough space for everyone, each teacher will run their presentation twice. The first time will be at **3:45-4:00pm** and the second time will be at **4:15-4:30pm**. This means that you have the chance to visit two year groups, if you have more than one child in the school. At the end of each presentation, there is a short time for you to say hello to your child's teacher, if you have not met them yet.

Here are the locations for each class:

Puffins (Mrs Moore) – in the Puffins classroom

Year 1 (Mrs Corbett) – in the Year 1 classroom

Year 2 (Mrs Dinham) – in the Year 2 classroom

With best wishes,

Mrs Francis
